

List of exit points and contact persons for live bovine animals
Article 2(1) of Regulation (EC) No 817/2010 laying down detailed rules pursuant to Council Regulation (EC) No 1234/2007 as regards requirements for the granting of export refunds related to the welfare of live bovine animals during transport

Ce document a été établi sur base des communications fournies par les Etats membres. L'expérience a démontré que des changements interviennent en ce qui concerne les bureaux de sortie habilités. Il est vivement conseillé aux exportateurs de se renseigner auprès de l'Etat membre de sortie (voir liste des personnes à contacter) pour s'assurer que le bureau indiqué dans le présent document est toujours compétent.

This document has been established on the basis of communications from Member States. Experience has shown that changes concerning the authorized exit points intervene. To assure that the office indicated in the present document is still competent exporters should contact the exporting Member State (see list of contact persons)

I. List of exit points
