PART I – Description of Consignment – to be filled-in by the EO (economic operator)

Select the commodity/certificate model

On the homepage, click on “**Documents**” and then on “**EU Intra**”:

Click on the green button “**+ New EU Intra certificate**”:

Select the certificate model from the list using one of these 3 options:

- Expand the CN code and select it from the list of models
- Type the name or the CN code or the title of the model
- Filter by species

Click on “**Done**”.

Note: you can still delete, add or modify the commodity details in the certificate, box I.29

Complete Part I

Tip: Use the shortcut tool on the right-hand side of the certificate in order to navigate easily between the boxes.

Note: All of the boxes marked with a red asterisk * are mandatory

Box – I.1. Consignor

Fill in this box using of these options:

- Start typing the name of the consignor and select a company from the drop down list that pops out.

- Select a company from the “**Favorite operators**” list, by clicking on the grey star. To register an operator in your “**Favorites**”, run an advanced search, find the correct option and tick the star at the left side. This will register this operator as a favourite.

- Run an advanced search by clicking on the “**Advanced...**” button and add some filters by clicking on the small “+” button on the right.

Note: If the operator you are looking for is not already registered in the system, you can create a new one by clicking on “+ Create a new Operator”. This button will only appear once you did an advanced search in order to avoid as much as possible duplicates in the system.

Please note this does not apply for certain approved or registered operators which are to be created/managed by their respective authorities.

Address **Fermette**
29300 Quimperlé

...

Once the correct operator is selected, the “**Name**”, “**Country**” and “**ISO Code**” of the company are automatically completed. You can see the details of the selected operator by clicking on the three dots:

I.1. Consignor *

Name ⓘ **La vache**

Country **France** ISO Code

Box – I.2. IMSOC reference

The IMSOC reference number will be automatically allocated by the system once you save as draft and/or once you submit the EU Intra.

Box – I.2.a Local reference

It is possible to add a local reference number to the EU Intra. This box is optional.

Box – I.3/I.4. Central/Local competent authority

These boxes will be automatically populated by the system once you fill the box *I.11 Place of dispatch*.

Links

This box will be filled only in some cases. For example, if the EU Intra has been replaced, the link to the replacing certificate will be indicated in this box.

Box – I.5. Consignee

To fill in this box, follow one of the procedures described for box I.1.

Tip: After completing the boxes I.1 and I.5, you can already **“Save as Draft”** the Part I of the EU Intra and complete it later.

The screenshot shows the 'Part I' of the EU Intra form. It contains several sections:

- I.1. Consignor:** Fields for Name (La vache), Country (France), and ISO Code (FR). It includes 'Valid', 'Edit', and 'Advanced...' buttons.
- I.2. IMSOC reference:** A field containing 'DRAFT.INTRA.EU.2021.0000008', highlighted with a red box.
- I.2.a. Local reference:** An empty field with a 'Clear' button.
- I.3. [en] eu.intra.consignment.central.competent.authority:** An empty field.
- I.4. [en] eu.intra.consignment.local.competent.authority:** An empty field.
- I.5. Consignee:** Fields for Name (COOPERATIVEAA26 SRL), Country (Spain), and ISO Code (ES). It includes 'Valid', 'Edit', and 'Advanced...' buttons.
- I.6. Operator conducting assembly operations independently of an establishment:** An empty field.
- Footer:** A 'Save as draft' button (highlighted with a red box) and a 'Submit for Certification' button.

AVO-Appointed Veterinary Office

The operator or the Authority issuing the INTRA part I can select the Appointed Veterinary Officer who, where applicable, will be in charge of certifying the INTRA certificate.

Select the operator following one of the procedures described for box I.1.

The screenshot shows the 'Appointed Veterinary Office' selection interface. It includes a search bar with the placeholder text 'Please provide name, identifier...' and a 'Search' button. Below the search bar, there are columns for 'Name', 'Address', and 'Identifier'. A message at the bottom states 'Start searching with Search button.' A 'Close' button is located at the bottom right.

Box – I.6. Operator conducting assembly operations independently of an establishment
Select the operator following one of the procedures described for box I.1.

Box – I.7 Country of origin

The country of origin will be selected automatically based on the country of the place of origin in box I.30.

Box – I.8 Region of origin

This box needs to be filled-in, where appropriate, depending on the requirements of the selected model official certificate.

Box – I.9. Country of destination

Choose in the drop-down menu the country of destination of the consignment.

The screenshot shows a software interface with a dropdown menu for 'Country of destination'. The menu is open, displaying a list of countries with their respective ISO codes. The currently selected country is 'Spain (ES)', indicated by a small flag icon and the text 'Spain (ES)' in the dropdown box. The list of countries includes: Finland (FI), France (FR), Germany (DE), Greece (GR), Hungary (HU), Ireland (IE), Italy (IT), Latvia (LV), and Lithuania (LT). The dropdown box also shows 'ES' on the right side. The background of the interface is light yellow, and there are labels for other fields like 'I.12. Pla' and 'Name' visible.

Box – I.10. Region of destination

This box needs to be filled-in, where appropriate, depending on the requirements of the selected model official certificate.

Box – I.11. Place of dispatch

Indicate the holding/establishment from which the animals or the products come from. To fill in this box, follow one of the procedures described for box I.1.

Box – I.12. Place of destination

Indicate the place where the animals or products are being delivered for final unloading. To fill in this box, follow one of the procedures described for box I.1.

Box – I.13. Place of loading

Indicate the place where the animals are loaded or the final place where the products are to be loaded in the means of transport. To fill in this box, follow one of the procedures described for box I.1.

Box – I.14 Date and time of departure

Indicate the date and, when required, time, when animals or products are scheduled to leave the place of loading.

Click on the small calendar icon to choose the date and click on the box to select the exact time (in hours and minutes).

I.14. Date and time of departure *

+02:00 CEST

< May 2021 >

Error message

If you filled in any of the boxes incorrectly, or missed a box, an “**Error**” message will appear. Click on the “**expand**” sign on the right-hand side of the error message to read the message in more detail. Click on each of the messages to be redirected to the box that requires modification.

A screenshot of a web form with several input fields. The fields are: Commodity (0102), Species (Bos taurus), Subcategory (Medium sized calves), Sex (Castrated), Identification Number (empty, highlighted with a red box), Identification system (Tattoo), and Quantity (2). Below the form, a red error message box is displayed with the text "Error" and "Identification Number" (highlighted with a red box) and "Must not be empty." At the bottom of the form, there are buttons for "Close", "Save as draft", and "Submit for Certification".

Do not forget to submit for certification once you have corrected the boxes.

Other options

At the bottom of the page, you will have the following options:

- ➔ By clicking on the “**More**” button you can:

- “**Delete**”: allows you to delete the INTRA.
- “**Copy as new**”: create a new INTRA in which most boxes are copied from the original certificate. The original INTRA is not altered in any way if you decide to perform this action.

- ➔ By clicking on the button “**Preview PDF**”, the system will display the certificate PDF.
- ➔ By clicking on “**Advanced Print Options**”, the system will display the language selection window, which enables you to print the certificate PDF in several languages at the same time.
